Founded in 1990, our company has been a pioneer in delivering top-quality home appliances. Specializing in glassline geysers, ceiling fans & other home appliances we've built a reputation for excellence & innovation over the decades. Our commitment to superior craftsmanship & cutting-edge technology ensures that every product meets the highest standards of durability & performance.

From the onset, we have been dedicated to enhancing comfort & convenience in homes across the region. Our glassline geysers are engineered for efficient & reliability, providing consistent hot water for everyday needs. Meanwhile, our ceiling fans combine sleek design with powerful cooling to create a refreshing environment, no matter the season.

As we continue to evolve & remain focused on our core values of quality, customer satisfaction, & innovation. We take pride in being a trusted choice for home appliances, & look forward to serving you with the same dedication since 1990
